

## **Christina Yeo**

### Head of Givaudan Business Solutions & IT

**Joined in 2009**  
**Born in 1972**  
**Singaporean national**  
**Appointed in May 2026**

Christina Yeo began her career in the chemical and electrochemical industry, specialising in supply chain and operations management. She joined Givaudan in Singapore in 2009 and took on roles of increasing responsibility across supply chain, strategic transformation projects within Givaudan Business Solutions, and later T&W Operations.

In 2022, she was appointed Head of T&W Operations Asia Pacific. In this role, she is responsible for the performance and investment plans of all APAC Taste & Wellbeing Operations sites covering EHS, manufacturing excellence, quality, supply chain, continuous improvement, engineering, and talent management.

During her tenure, Christina has been instrumental in establishing Givaudan's largest global tolling partnership in process flavours, and in sponsoring a greenfield project in Indonesia, with operations scheduled to start in 2027. Within Givaudan Business Solutions, she led the strategic transformation of end-to-end process domains encompassing the full scale of Demand-to-Cash, Purchase-to-Pay, and Enterprise Data Management.

Christina Yeo will be appointed Head of Givaudan Business Solutions & IT and a member of the Executive Committee as of May 2026.

Christina holds a Bachelor of Science in Chemistry from the National University of Singapore and a Master of Business Administration (International Business) from the Imperial College London. She is married and has an 18 year-old daughter.
