

Givaudan Flavour Innovation Centre Singapore

The Flavour Innovation Centre and Flavour School Campus (Singapore)

- Expanded Flavour Innovation Centre represents a SG7 million (CHF 5 million) facility enhancement to Givaudan's existing Woodlands office.
- Investment enhances Givaudan's innovation capabilities in APAC, facilitating a regional focus on applied innovation, collaboration and knowledge sharing, to complement its global network.
- Expansion includes:
 - An expanded savoury compounding studio
 - New bakery, confectionery, beverage and dairy studios
 - An expanded 'creation space' with a collaboration area to nurture creativity
 - A dedicated space for the Givaudan Flavour School
 - Expanded space in the Flavour Science area to accommodate new equipment
 - A new fully integrated culinary space for concept development
- Centre will house the Flavour School Singapore campus, the first such school in Asia
- Students go through a three-year training curriculum where 50% of the training is conducted in Singapore and the other 50% in their home country.
- Currently 10 students enrolled and the trainees come from Singapore, Thailand, Indonesia, China, India and Australia.

Givaudan in Singapore

- First opened in Singapore in 1992 with a small sales office.
- Moved to the current site at Woodlands in the north of Singapore.
- Affluent, influential and logistically connected, Singapore was selected to be the Givaudan Flavour hub of Asia Pacific.
- Expanded Flavour Innovation Centre in Singapore will add to the recent developments in Nantong, China; Karachi, Pakistan, and Pune in India.
- Opened a new Fragrance Creative Centre, Perfumery School campus and Compounding Facility at Pioneer in the west of Singapore in 2015.
- Approximately 315 people work in the Flavour Division. The total number of employees at Givaudan Singapore is over 600.

Givaudan Flavour Division

- Trusted, knowledgeable and passionate partner who consistently surprises customers and consumers with fresh, unique ideas and solutions.
- Four key segments including beverages, sweet goods, savoury and snacks.
- Givaudan employs 180 flavourists today which accounts for 50-60% of the world's flavourists.

Givaudan

- Givaudan is the market leader in the global flavour and fragrance industry.
- Head office in Switzerland with presence in over 80 locations.
- More than 9,500 employees.
- 2015 group sales: CHF 4.4 billion of which 46% was accounted for in developing markets. 52% was Flavour sales.
