## Introductory Remarks

- For comparison purposes, pro forma figures were prepared to reflect both years as if the acquisition had occurred 1 January 2006. Main adjustments relate to :
- Incorporation of Quest activity for both half year periods
- Elimination of sales between the two companies
- Elimination of acquisition related one-offs
- Inclusion of new intangibles related amortisation
- Adjustment of interest expenses to reflect financing cost as if the acquisition had occurred 1 January 2006
- Adjustment of taxes to reflect above mentioned elements
- Comparable pro forma EBIT and EBITDA exclude additionally nonacquisition related one-off costs in both periods
